

Welcome to the Maritime Conference Center!

We love extending our hospitality to every guest, but especially to our four-legged friends! Please read and acknowledge these important policies about how we accommodate our guests with pets. Enjoy your visit!

-  As a responsible pet owner, you agree to accept full responsibility for any and all damages and/or unusual degree of soiling caused by your pet. This includes pesticide treatment of the guest room, if required.
-  Pets must be housebroken. Please use the designated relief area, which is the grassy area between the buildings. Kindly pick up after your pet so that others can enjoy the grounds. Relief bags are provided at the pet post outside.
-  Pets are limited to guest rooms only and are not permitted in any indoor public area. ^{ADA}
-  Only domesticated dogs that weigh less than 60 lbs. and/or cats that weigh less than 30 lbs. are permitted to stay in the hotel. ^{ADA}
-  No more than two (2) pets per room are permitted.
-  A non-refundable fee of \$75.00 per stay will be added to your room bill. Additional fees may apply if your stay is greater than seven (7) days. ^{ADA}
-  You must bring a leash and/or a pet carrier. *Pets must be restrained on a leash or in a pet carrier when outside the guest room.* You must also be in the room with pets caged or restrained while the room is being serviced. Staff will not service a room otherwise. Please use the "Pet In Room" door hanger provided at all times during your stay.
-  Please notify the Front Desk when pets are left unattended in the room. Pets must not be left unattended for more than four (4) hours, and must be left with adequate food and water. ^{ADA}
-  Pets are not permitted in any Food and Beverage area, the Deck Club Bar, the Fitness Center, Recreation Room or Pool area, or any area designated by the hotel. ^{ADA}
-  Please make certain any noise that your pet creates will not disrupt the quiet enjoyment of other hotel guests. Should we determine, at our sole discretion, that the pet is disruptive to other hotel guests, you must immediately make other arrangements to house the pet outside the hotel.
-  The hotel may exclude a pet if, at our sole discretion, the pet is considered dangerous or likely to frighten, harm or disrupt hotel guests or employees.
-  You certify that all pets are current on vaccinations, including rabies and distemper.

Americans with Disabilities Act

Service Animals as defined by the Americans with Disabilities Act (ADA) and applicable MD State Law are exempt from the policies with the ^{ADA} superscript. Beginning March 15, 2011, only dogs and in some cases miniature horses are recognized as service animals under titles II and III of the ADA. Guests are not allowed to leave Service Animals in their hotel room when they leave the hotel.

Although emotional support animals play an important role, they are not trained to perform specific tasks for people with disabilities. As such, they are not covered under Maryland law or the ADA.
