## MARITIME CONFERENCE CENTER IS COMMITTED TO YOUR SAFETY

The health and safety of our staff, students and guests continues to be a top priority at MITAGS-MCC. We realize it's important to get back to business and to continue having confidence that MITAGS-MCC is a safe, clean and productive environment.

### OPTIONAL PROTOCOLS

- Clients may choose to mandate their own organizational mask requirements, temperature checks, COVID-19 Screenings, and/or proof of vaccination for their attendees.
- MITAGS-MCC is following state and CDC guidelines, advising those that are not vaccinated to wear a mask, but not requiring proof of vaccination.
- Physical distancing measures are no longer a state or CDC requirement, however we will make every effort to accommodate requests.

**The State of Maryland ends its COVID-19 State of Emergency effective July 1, 2021.**

### KEEPING IT CLEAN & SAFE

- The "My Cleaning Promise" program from our housekeeping partner, My Cleaning Service, Inc., incorporates enhanced cleaning and sanitizing of guestrooms and public spaces.
- A safety seal placed on your guestroom door will indicate it has been cleaned, sanitized and sealed for your safety.

### SHUTTLE SERVICE

- Due to the pandemic's financial impacts, our shuttle service remains suspended at this time, and reliable Uber, Lyft and Taxi services are available. We will make every effort to provide options for specific groups requesting transportation, and hope to restore service in the near future.

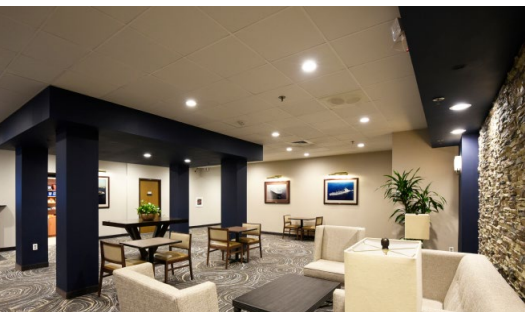

### THE SAME GREAT FOOD

- Our dining partner, Flik Hospitality Group, offers delicious self-serve buffet style meals in the Chesapeake Dining Room and centralized breaks throughout the conference center.
- Grab-and-go options available upon request.
- Pre-packaged break service inside your meeting room is available as an upcharge.
- Private served buffets are available as an upcharge.
- Dining Room & Centralized Break hours may be limited or varied.

### STREAMLINED FRONT DESK

- Sanitized room keys.
- Online reservations available for all groups.
- Contactless check-in and payment systems available.
