

# MARITIME

CONFERENCE CENTER

Dear Maritime Conference Center Guests:

During this unprecedented period of uncertainty regarding the Novel Coronavirus and COVID-19, the Maritime Conference Center has shut down operations until further notice. We will revisit this decision beginning April 10, 2020, and each week thereafter, to determine whether it is both safe and permissible to open for business.

Although the campus has robust risk mitigation strategies in place, and no cases of COVID-19 have been reported on our property, the scale of the impact is still unknown. While government regulations and CDC guidelines largely led to this decision, the team at MCC want to do their part to protect our guests, staff and community by practicing social distancing --- especially while testing availability is still unknown. At the Maritime Conference Center we are "Hospitality Focused", but we are also dedicated to your safety and that of our staff.

That said, our dedicated Sales and Conference teams will be working remotely to answer any questions you may have about rescheduling meetings as well as planning any future events. Please call our Sales Department at 866-629-3196 or email [conference\\_sales@mccbwi.org](mailto:conference_sales@mccbwi.org).

Our hearts and well wishes go out to those who have been affected by this global pandemic. Please check our social media platforms or visit our website, [www.mccbwi.org](http://www.mccbwi.org), for updates.

We look forward to having you back soon.

Kind regards,

Glen Paine  
Executive Director
