Our hotel and conference center boasts over 100,000 square feet of meeting space. The on-site conference staff will see to your needs whether your meeting has five or five hundred attendees. The mix of a natural park-like setting and beautifully landscaped grounds offer a serene and productive environment for your meeting and will compliment your outdoor reception or team building activity! Free parking and easy access to I-695, I-295 and I-95 makes MCC the BEST choice for your meeting or event.

Overnight guests have access to all amenities at MCC including the fitness center, indoor pool, game room and the jogging/walking trails. MCC also has a limited number of "pet friendly" rooms.

*Hospitality Focused,
Technology Driven*

MEETINGS & EVENTS

"The MCC has been a fantastic environment for AFT's in-depth professional development meetings for many years, whether we're planning a small meeting or a large, multi-day event. From the initial RFP to the final invoice, we always receive quick responses and great service from Maritime's very flexible and professional staff. The facility updates that MCC has made in recent years to the administration and classroom buildings – such as increased wifi, enclosed walkway, and new audio visual equipment – are clear indications that they are listening to their union clients. The updated sleeping rooms are fresh and comfortable with a bold look. Our meeting attendees always rave about the delicious and plentiful dining room selections and they especially love the newly renovated bar. AFT looks forward to continuing our partnership with the Maritime Institute for many more years to come."

–Kitty Owens

Director | AFT Convention,
Meetings & Travel Dept.

The International Association of Heat and Frost Insulators and Allied Workers has been utilizing Maritime Conference Center's meeting space and accommodations for over 5 years. Their excellent staff, all-inclusive package pricing and easy planning process makes continuing to work with MCC for our training needs an easy decision. They also have a great location, just 4 miles from BWI Airport, and provide complimentary shuttle service. Our attendees love the delicious food, both in the dining room and on the breaks. As the Administrator for the Insulation Industry International Apprentice and Training Fund, I also appreciate that the workers at this facility are all union-represented.

– Thomas Haun, IIATF
Administrator
